

StellarRAM – Medicine and Drugs Raman Library

StellarNet Inc., Tampa FL, USA

StellarNet proudly announces a Medicine, Drugs, Agricultural and Veterinary Drugs database for StellarRAM handheld Raman systems. The database includes over 200 samples. This database and library can only be used with our StellarRAM handheld Raman system. It is included with the purchase of the instrument. If the sample you are trying to measure is not listed you can always add additional library items to the database.
